

## Directions to Venue

VIEWPOINT THERAPY CENTRE – Waters Edge, Flat 3, Triq it Tonn, St Pauls Bay.

From location of Mecca Shop and Pescatore, the road narrows greatly whilst driving towards xemxija. As road starts widening slightly there is a small chapel on the left hand side. As soon as you pass the chapel, take a right sharp turn towards the sea front. There is a large label saying Ta Tabibu Farmhouse, at the beginning of the street. Drive all the way down to the car park at the bottom. Look for building Waters Edge....Pictures below.
